

Indiana Department of Education

SUPPORTING STUDENT SUCCESS

MEMORANDUM

TO: Superintendents

FROM: Matt Fleck, Director
Division of College & Career Preparation

DATE: May 7, 2010

SUBJECT: 2010-11 Perkins IV Basic Grant Amendments and Budget

Last week, the Indiana Department of Education (IDOE) disseminated the 2010-11 Perkins Basic Grant Amendments and Budget forms to all Area Career & Technical Education (CTE) Directors.

It is the responsibility of each Area CTE Director to submit amendments or budget changes describing how the district will utilize its FY11 allocation of Perkins federal funding. Those amendments and budget are due by June 4, 2010.

Amendments and budget requests must:

1. Correlate to the district's five-year local plan for Career & Technical Education,
2. Meet the nine required uses of basic grant funding, and
3. Show how the local plan will improve student performance in eight core indicators.

A copy of the application is available on the IDOE College & Career Preparation website at www.doe.in.gov/octe/admin_finance/welcome.html.

For additional information, please contact your Area CTE Director or Julie Yeater at the Indiana Department of Education at jyeater@doe.in.gov or 317-232-9168.
